

CURRICULUM VITAE

Name: Tomohiro Kurosaki

Date and place of Birth: November 7, 1955, Okayama, Japan

Citizenship: Japan

Business Address: WPI Immunology Frontier Research Center,
Osaka University
3-1 Yamada-oka, Suita, Osaka, 565-0871, Japan
Tel: +81-6-6879-4456
Fax: +81-6-6879-4460
E-mail: kurosaki@ifrec.osaka-u.ac.jp

RIKEN Center for Integrative Medical Sciences
1-7-22, Suehirocho, Tsurumi-ku, Yokohama, Kanagawa,
230-0045 Japan
Tel: +81-45-503-7019
Fax: +81-45-503-7018
E-mail: tomohiro.kurosaki@riken.jp

Education:

March 1974 Graduated from Sozan High School, Okayama, Japan

March 1980 M.D., Okayama University School of Medicine

March 1987 Ph.D., Kyoto University

Professional Experience:

4.1984 – 6.1984 Research Fellow, Department of Biochemistry, Cancer Institute, Okayama University School of Medicine

1984 - 1985 Research Fellow, Second Department of Medical Chemistry, Faculty of Medicine, Kyoto University

1985 - 1988 Assistant Professor, Department of Medical Chemistry, Kochi Medical School

1988 - 1989 Postdoctoral Fellow, Laboratory of Biochemical Genetics, Sloan-Kettering Institute, New York, NY

1989 - 1992	Research Associate, Laboratory of Biochemical Genetics, Sloan-Kettering Institute, New York, NY
1992 - 1996	Senior Research Scientist, Department of Cardiovascular Molecular Biology, Lederle Laboratories, Pearl River, NY
1993 - 1996	Adjunct Assistant Professor, Section of Immunobiology, Yale University, New Haven, CT
1996 - 2004	Professor, Department of Molecular Genetics, Institute for Liver Research, Kansai Medical University
1998 - 2004	Director, Institute for Liver Research, Kansai Medical University
2001 – 2004	Team Leader, Laboratory for Lymphocyte Differentiation, RIKEN Research Center for Allergy and Immunology
2004 - 2013	Group Director, Laboratory for Lymphocyte Differentiation, RIKEN Research Center for Allergy and Immunology
2004 - present	Visiting Professor, Dept. of Molecular Genetics, Institute of Biomedical Science, Kansai Medical University
2004 - present	Visiting Professor, School of Biomedical Science, Tokyo Medical and Dental University
2007 - present	Visiting Professor, Graduate School of Frontier Biosciences, Osaka University
2008 - present	Professor, Laboratory for Lymphocyte Differentiation, WPI Immunology Frontier Research Center, Osaka University
2013 – present	Group Director, Laboratory for Lymphocyte Differentiation, RIKEN Center for Integrative Medical Sciences

Honors and Other Recognition:

Fellow of the Foundation for Promotion of Cancer Research (Tokyo),
1988-1990

Charles A. Dana Fellow, 1989 - 1991

Adler Fellow and Cohen Fellow in Biomedical Research, 1990 - 1991

Fellow of Charles H. Revson Foundation, 1991 - 1992
JSI (Japanese Society for Immunology) Award, 2001
Transmitting Editor of International Immunology, 2001-present
Advisory Board Members of Signal Transduction, 2001-present
Advisory Editor of Journal of Experimental Medicine, 2002-present
Editorial Board of BMC Immunology, 2003-present
Editorial Board member of Current Immunology Reviews, 2004-present
Editorial Board member of Immunological Reviews, 2006-present
Editorial Board member of European Journal of Immunology, 2007-2016
Associate member of Science Council of Japan, October 2008-present
Organizer, FASEB Summer Research Conferences, 2009, 2011, and 2013
Organizer, Fourth International Conference on “B Cells and Autoimmunity”, 2010
Associate Editorial Board member for Frontiers in B Cell Biology, 2010 -
Editorial Board member of Antibodies, 2010 -
Associate Editor of International Immunology, 2010 –
Editor-in-Chief of Antibodies, 2011 - 2014
Board Member of Reviewing Editors for Science Signaling, 2012 –
Awarded for Commendation for Science and Technology by the Minister of Education, Culture, Sports, Science and Technology - Prizes for Science and Technology (Research Category), 2012
eLife’s Board of Reviewing Editors, 2016-

Membership:

Japanese Biochemical Society (Councilor), 1999-present
Japanese Society for Immunology (Councilor), 2003-present
Japanese Society for Immunology (Program Committee), 2005-
Japanese Society for Immunology (Publication Committee), 2005-
The 14th International Congress of Immunology (Program Committee),
2006-2010
The 14th International Congress of Immunology (Publication Committee),
2006-2010
Japanese Society for Immunology (Committee for Future Plan), 2007-2010
Japanese Society for Immunology (Chairperson of Committee for Future Plan),
2008-2010
Japanese Society for Immunology (Committee for General Affairs), 2008-
Japanese Society for Immunology (Board Member), 2008-
Science Council of Japan (Member), 2008-
Japanese Society for Immunology (Award Committee), 2009-2014
Japanese Society for Immunology (Chairperson of Program Committee) 2010-
Japan College of Rheumatology (Award Committee), 2012-
Japanese Society for Immunology (Kibou project selection and evaluation
committee) 2014-
Japan Society for the Promotion of Science (Selection Committee for Research
Fellowship for Young Scientists, Selection and Evaluation Committee for
International Activities), 2014-
